Enhancing professional development in dental hygiene students

- **Brief description of your Project** (as it will appear in the Grove if your proposal is selected) *Maximum characters allowed: 500 (including spaces):*

Students will prepare an oral/visual presentation to be presented to a four person faculty/dean committee for selection to attend the American Dental Hygienist's Association (ADHA) Annual Session in Jacksonville, FL June 2017 where they will compete nationally in the table clinic presentations to dental professionals.

Additional students will be selected to attend the conference based upon individual interest in attending as demonstrated by submission of a brief essay. Students will attend workshops on career alternatives, a student mega issue forum, exhibits and other events geared toward students and improving their understanding of membership in a professional association.

Please describe how you will use the Learning Leadership Chair award including the following:

- **Your intended personal learning outcomes**
Maximum characters allowed: 800 (including spaces)

Faculty learning outcomes include improving faculty support of student preparation of their oral/visual presentations and learning how to assist students in understanding the role of professional associations in legislation, advocacy, and career support.

- **The process for assessing your learning outcomes**
Maximum characters allowed: 800 (including spaces)

Assessment of faculty support of students' presentations will be demonstrated by the ADHA assessment rubric each group will receive after their presentation.

Assessment of student learning about ADHA's role in legislation, advocacy, and career support will be completed through a discussion board in Blackboard the each student will submit a posting within ten days after the conference.

- **The connection between your learning outcomes and student learning**
Maximum characters allowed: 800 (including spaces)

As faculty and an oral health professional, I try to instill student professional development in the curriculum and model to students the value of membership/participation in a professional association which exists to improve the oral health of the public and support members of the association.

- **Budget**

Please submit a budget that outlines how this money will support your endeavor in terms of the college's mission, vision, and values and connection to student learning.

Download the [budget template](#), complete it and upload your completed spreadsheet below. (see below)

- Additional comments about your budget:

I would like to facilitate Valencia student attendance at the 94th annual session of the American Dental Hygienists' Association.
